Your Grab and Go List is a prioritized list of irreplaceable possessions that you will add to your Grab & Go Bag as you prepare to evacuate. Often called the Top 10 in 10, think about what 10 items you would take if you had just 10 minutes to evacuate.

Ideally, you should note the item and where it is located in your house to save time. Each family member should have their own Grab & Go Bag and Checklist.

Keep a copy of all lists in your Grab & Go Bag or post them near an exit door so you can easily locate them during an evacuation.
