

# Last Minute List

Now you have your Go Bag assembled! Congratulations. Next, put together a prioritized list of irreplaceable items that you will collect before you evacuate — if time allows. This might be one of your grandmother's photos or a childhood scrapbook.

A great exercise to help you prioritize is to think about the 10 items you would take if you had just 10 minutes to evacuate. List the items below and where it is located in your house to save time should you have to leave quickly. Remember, each household member should have their own **Go Bag** and **Last Minute List**.

Keep a copy of this and all your lists in your Go Bag or post them near an exit door so you can easily locate them during an evacuation.

Please share this form with friends and family to help them prioritize items they feel are irreplaceable.
