

PREPAREDNESS STARTS WITH PEOPLE.

Neighbors helping neighbors

When we work together to prepare, we transform our neighborhood into a responsive, resilient community.

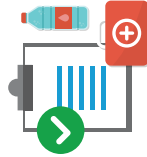

Today is a great day to get prepared.

TODAY IS A GREAT DAY TO GET PREPARED.

1. Sign up at AlertMarin.org to get notified when you need to take action.
2. Establish a meeting place for you and your connections if you have to evacuate.
3. Choose an out-of-state contact who can serve as a hub for information and share that contact with people close to you. Write it down too!
4. Know your connections – who will you rely on and who will rely on you?
5. Make a list of the items you use every day that also could be useful in an emergency and assemble a Go Bag and a Stay Box.

**Share your plan with the people
you care about.**

Prepare and share. We're in it together.
